National College to Hold Career Fair

Event is free and open to the public

MADISON, Tn. – Are you looking for a new job or do you want to make a career change? National College’s Madison Campus will be holding a career fair on Tuesday, February 16th from 10:00 a.m. to 1:30 p.m.

Companies such as Atlas Management, Express Employment, Family Dollar, HCA, PeopleSource, WholeCare Connections and more will be participating.

For more information, please contact Terri Davis-McCall at 615-333-3344 or tjdavismccall@an.edu.

The Madison Campus has been offering a career-oriented education to area students since 2006. The next term begins March 21st, with classes now forming for associate’s degrees in business administration – management, network administration and health information management. In addition, there is a short term medical office professional program available.

Founded in 1886, National College and American National University are dedicated to the training and education of men and women for a full life and a successful career in a number of fields in business, information technology, and health care. National College and ANU offer more than 45 academic programs, including numerous master’s, bachelor’s, and associate degree programs, short-term diploma programs, English as a Second Language, and corporate training. Serving 30 communities through campus locations in Virginia, West Virginia, Tennessee, Kentucky, Ohio, and Indiana, as well as a growing online student body nationwide, National College and ANU currently serve approximately 5,000 students annually.
